5. On Section X.B.5 to revise the title to **Deferment/Change in Implementation Date** and in order to distinguish between change in implementation date due to late release of funds and deferred implementation due to force majeure, the project duration shall be defined in each case. The Monitoring Agency shall inform the Funding Agency of such change within one (1) month from the date of approval, otherwise, the revised implementation period shall be considered null and void.

b. New projects with revised implementation period due to delay in release of funds shall commence within two (2) months upon receipt of funds.

The end date of the project period shall be revised accordingly.

6. On Section X.C.1 Fund Releases to remove redundant statement, to read as:

Budget reprogramming may be allowed up to three (3) times per agency (implementing and monitoring) during each year of implementation.

A project that has been granted extension for one (1) year shall be allowed a maximum of two (2) budget reprogramming during the extension period. If the extension granted is less than one (1) year, budget reprogramming may be allowed once.

Requests for reprogramming shall be supported by the following documents:

The Funding Agency must also be informed of the budget reprogramming including changes in the indirect cost made by the Monitoring/Implementing Agency within one (1) month after said changes have been made. Otherwise, the reprogramming shall be deemed null and void.

8. On Section X.C.4 Unexpended Balance (UB), Savings, Interest and Income to include provisions allowing the carry-over of UB, the approving authority for requests for use of UB during extension period, and use of savings for other related projects, to read as:

Otherwise, approval shall be sought from the Funding Agency subject to the endorsement of the Monitoring Agency.
- e. The savings of a completed or terminated project can be used for related new and ongoing projects of the Implementing Agency, subject to the recommendation of the Monitoring Agency and approval of the Funding Agency, provided that fund effectivity is still valid.

Particular guidelines shall govern programs/projects which require refund mechanism, provided that they are not inconsistent with the existing DOST-GIA guidelines which shall serve as reference.

All other provisions of DOST A.O. No. 011, Series of 2020 shall remain the same.

This Administrative Order shall take effect fifteen (15) days after publication in the Official Gazette and upon filing at the University of the Philippines (UP) – Law Center.
